My child, _____ has permission to participate in the 2011 Phoenix Wrestling Commuter Camp. I will not hold the Pin2win Combat Academy or CNY Pin2win Wrestling Club, Inc, or it's instructors responsible for any injuries or for any damages incurred during my child's presence in this program. I understand there is supervision from 9am-2pm and no supervision provided for the youths outside of that program and I am responsible for the timely arrival and departure of my child to and from the program. I am aware that the school does not allow wandering through the halls during the program and I am prepared to supervise youngsters who are not members while waiting quietly in the gymnasium.
